Verse 1:

Lotus position, incense all around
He's worshipping a god that's dead and in the ground
He'll deny his body; He'd give up his life
His religion may find him peace
But it won't take him to paradise

Chorus:

If what you believe doesn't matter
Then why did Jesus have to die.
God's only SON the perfect one
Could have stayed with him on high
But he took the cup, the bitter cup; And laid down his life
It was the only way Sin's debt was paid; The perfect sacrifice

Verse 2:

All roads lead to heaven; That's what they say
You try to live a good life; seeking your own way
I read in the bible; there is only one way
It's not found in yourself; it's believing on His name

Repeat Chorus

Bridge:

I am the way , the truth , the life Jesus said
No man comes to the Father
except through the blood He shed.

Repeat Chorus
