## Verse 1:

Pulled up to a traffic light; There is a sticker on an SUV  
It says my kids' on the honor roll at the local elementary  
Next car over is a pickup truck; his sticker says my kid can beat yours up  
guess she'll grow up to be a bouncer at a local bar  
But when it comes braggin' I'll tell you the truth  
My heart leaps for joy when I'm spreadin' the news  
I was a Hell-bound sinner yet He died for me  
I just can't praise Him enough!

## Chorus:

I want to brag on Jesus; I want to talk about the Lord  
He raised me up; With His Holy word  
I boast not of the things that I've done  
All the good that I am Is in the Holy One  
I want to brag on Jesus; I want to talk about the Lord

## Verse 2:

Some Christians go to a football game  
They yell so loud you gotta hold your ears  
When Sunday rolls around there's a whole 'nother sound  
A holy grunt you're never gonna hear  
You talk about how you've got it made  
24-inch rims on your Escalade  
An attitude of gratitude is nowhere to be found  
You can toot your own horn 'till you're blue in the face  
Guess that's just the condition of the human race  
As for me I'm lifting my voice to the one; The only One worthy of praise

## Repeat Chorus

## Bridge:

I will praise His name forever and ever  
For His bond of love nothing can sever

## Repeat Chorus
