## Verse 1:

In one moment my spirit was awakened  
With a child-like faith I humbly came to Christ  
Though I could never understand all redemptions' plan  
And how He chose to love one such as I  
Then I learned what it says in the Bible  
How I'm filthy and unclean even at my best  
When the Father looks at me; Through the blood of Calvary  
I am now become Christ Jesus righteousness

## Chorus:

It's By His Grace; these blinded can see  
And I'm not holding Him he's holding me  
Undeserving of His mercy, and the sacrifice He gave  
I stand clean before the Lord; It's by His grace

## Verse 2:

You've tried and tried in your strength to serve Him  
To earn His love with things that you have done  
You've tossed and turned at night  
Feeling worthless in His sight  
Way down deep there's an emptiness inside  
His desire is for you to simply trust Him  
He'll clothe you with His robe of righteousness  
Just believe and you will see ; He is everything you need  
You be made alive by the blood of Calvary

**Repeat Chorus 2x**
