Verse 1:

As I travel on life's journey; I'm amazed at what I see
I look back and trace my footsteps
And see the blessings He's given me
Handfuls of purpose He truly cares
Before I new just what I'd need; The Saviour's left them there

Chorus:

His mercies new and fresh each morning
His loving kindness never ends
We serve a loving Saviour ; Who's a dear and faithful Friend
Though sometimes our faith is tested
And we think we won't get through
Just lean on the Master's promises; He truly cares for you

Verse 2:

This old world is never easy
And life's struggles will take their toll
The deceiver will use life's heartaches
Fear and doubt can take control
If you haven't found the victory
The root of bitterness has taken hold
Trust the one who won't forsake you
He Will never Let You Go

Repeat Chorus
