Verse 1:

I was livin life in the fast lane
I was livin for my self
I Thought I had It all figured out
grabbin at this worlds wealth
Then one day my life of sin came rainin down on me
This poor man bound in chains of sin
cried "Jesus set me free!"

Chorus:

This poor man cried; out to Jesus
He gave me the riches of His grace
He loved me more than anyone else
He loved even me in spite of myself
This poor man cried and Jesus rescued me

Verse 2:

You think you've got it all figured out
You make the rules up as you go
You don't realize you'll be penalized
For the foolish seeds you sow
What profit a man to gain this world
then to lose his eternal soul
The only solution for your destitution
Is to cry Jesus make me whole

Repeat Chorus 2x
