Chorus:

He's a big big God
He made a great big world
The mountains and the deep blue sea
He made a big ol' whale and a little bitty snail
The skunks and the bumblebees
He loves everyone like no other
Closer than a sister or brother
He's a big big God ; But He loves
Little ol' you and me

Verse:

There was a little bitty man with a little bitty heart
He stole peoples money everyday
Zachaeus could not see the Lord
For the crowd was in his way
So He climbed up that old sycamore tree
Then the Lord in mercy said come to me
Then this bad bad man got a big ol' heart
and he gave his money away

Repeat Chorus
