## Verse 1:

I have seen things of value slip through my hands  
A casualty of this world and life's shifting sands  
When forsaken by others I'm sent astray  
There's one who loves me and won't turn away

## Chorus 1:

Jesus is Precious to me  
He walks beside me in fellowship sweet  
His love will not fade with the seasons of change  
Jesus is precious to me

## Verse 2:

Through life's ups and downs He's faithful and true  
His love and His grace has carried me through  
When my heart is broken and my soul is weak  
His tender mercies turn bitter to sweet

## Repeat Chorus

## Tag:

And he walks with me; and he talks with me  
and he tells me I am his own  
And the joy we share as we tarry there  
Jesus is precious to me
