Verse 1:

Discouragement and death were all around the camp
For Sin and rebellion had its way
Moses lifted up the serpent in the wilderness
Just one look and they were saved that day

Verse 2:

Today we live in a hurting hopeless world
It's appointed that everyone will die
But if they'll look to rugged hill called Calvary
Just believe for eternal life

Chorus:

Lift high the banner of The Cross
For Christ's suffering and his sacrifice
Would pay sins awful cost
Though sometimes the burdens' heavy
And unbelievers mock an scoff
Lift high the banner of The Cross

Bridge:

In the last days men will mock you
That's what the Bible says
Don't grow weary in well doing
Let the world know Jesus lives

Repeat Chorus
