Dear Odyssey Academy Community,

The administration of Odyssey Academy (OA) has been notified by the city of Galveston that a major construction project on Stewart Road will require the school to change our current arrival and dismissal procedures. The new procedures will begin on April 3, 2017, and remain in place until the completion of the project, then will return to normal. Construction will make Stewart Road a one-way street until the completion of the project. Initially one-way traffic will travel west on Stewart Road, eventually transitioning to one-way east. Park and walk-up arrival and dismissal procedures will not change.

Based on the Stewart Road closure, OA will be forced to change arrival and dismissal procedures to the following:

1. Arrival and dismissal traffic will need to travel west on Avenue S ½
2. Turn right onto 61<sup>st</sup> Street
3. Turn right into the Odyssey Academy parking lot (entrance located near the mini-cafeteria at the end of the PK-4<sup>th</sup> grade building)
4. Traffic will exit onto Stewart Road
