

## 2<sup>nd</sup> and final session of Germantown Winter School offered to U7 & U8 AND U9 & U10 Boys and Girls, open to all abilities.

Germantown Winter Soccer School will be organized by our Director of Coaching and Player Development, Lati Ziba.

Lati with the help from our Hybrid Soccer coaches will be conducting a 6 session program that focuses on helping player's learn new skills and techniques and gain confidence with the ball at their feet.

We believe we have been successful in providing players at all skill levels the opportunity to play the game of soccer at a reasonable cost as compared to other clubs. This has always been our number one priority as a club. However, we also believe that in order for our players to reach their potential we need to do more than just fall and spring soccer.

"Germantown Winter Soccer School is a private training program with a small group of players that does not cost you an arm and a leg"
