

To Our Valued Customers:

Midlantic Machinery is pleased to have been able to meet your product support, service and parts needs over the years. Unfortunately, like all businesses, the economy and our cost environment dictates that we must revisit our Labor Rates offered to you. We have however made a concerted effort and analysis to keep our rates as low as possible to help our customers with their costs.

Please be advised effective January 1, 2017, our Labor Rates will be as follows:

Shop = \$116.00 /HR

Field = \$127.00/HR

We thank you in advance for your continued patronage and trust. As always, you can reach us at any of our seven (7) locations, located thru-out PA, DE & MD
