TOWN OF RIPTON SELECTBOARD MINUTES

Miscellaneous

09-16-DATAB	Town Infrastructure Database	07-06-09	Ongoing	PK
<p>Database status:</p> <ul style="list-style-type: none"> • Culverts: Update for the four new replacement culverts recently installed. Mr. Kehne is working on the numbering issues. The ACRPC has been informed of the update completion of the online database and has been asked to produce a map of all the culverts in The Town of Ripton. The map from ACRPC has not yet been received. • Bridges: VCGI (Vermont Center for Geographical Information) database requires full update; the Associate Board Clerk has updated the existing internal spreadsheet and has started to enter the information into the online database. • Roads: A sample report was submitted at the Selectboard meeting of 10-12-09. The complete list of roads has been submitted to the Road Commissioner
