	The Board continued to work on a draft of the 2009 budget.			

08-15-STORM8	Storm of 08-06-08	08-11-08	Ongoing	BD
	Revisited an item from meeting of 12-22-08: discussion of the final invoices for work completed. Final invoices were higher than estimate. The Road Commissioner determined that this was due to additional work requested on the Goshen Road to keep the road open during construction plus additional gravel needed. The Board approved payment.
