#### Dear Friend,

As we welcome spring after a long, dreary winter, we look forward to warmer weather and longer days. Here at Twilight Wish, we are also looking forward to a big milestone! July 1, 2013 will mark the beginning of our 10th anniversary year. Since our humble beginnings with Founder Cass Forkin working out of her dining room in Doylestown, we have grown to have 17 chapters across the U.S. and have granted over 1,875 wishes to deserving seniors. We are kicking off this monumental year with an article in the May 27th issue of national magazine Woman's World. Look for it on sale from May 16th through the 22nd!

In addition, we are excited to announce our new nationwide **Vehicle Donation Program**. If you have a vehicle you no longer use, please consider donating it to us. We accept all

**Donate Your Unused Vehicles Today!**

Twilight Wish is excited to announce that we have partnered with CARS, a national vehicle donation program. If you have a vehicle that you no longer use, consider donating it today! CARS will accept almost anything that is in one piece and towable: cars, trucks, motorcycles, RVs, boats, planes, ATVs, even farm equipment. Their customer service center is open 7 days a week and they have over 1,000 vendors across the U.S., allowing for pick-up of your vehicle at your convenience. Your donation is tax deductible! **To donate, either fill out an online**

types of vehicles: cars, trucks, RVs, motorcycles, boats, planes, heavy equipment, and more. And, be sure to share the news with your family and friends!

We are also excited to tell you about the wishes we have been working on recently. In late April, Elliott travelled from Florida to Maryland to take part in his 50th high school reunion. And, in early May, Odia who is 90, will enjoy a fishing trip with two of her remaining siblings (out of 13) and Lorene will be traveling by train from her home in Missouri to Denver, where she will spend time with her daughter and granddaughter. We are able to grant these, and many of our other wishes, because of the generosity of donors and supporters like you.

As always, we still have many wishes that need funding and fulfilling. Just visit our website and find a wish that speaks directly to you! Then help us grant the wish or make a generous contribution so we can fulfill the wish on your behalf.

Again, many thanks to each of you for all that you do to make a difference in the lives of our senior citizens. Remember to follow us on Twitter and "like" us on Facebook so that we can continue to spread the word about our mission!

Warmly,

Elinor E. Foltz  
President

### We Need Your Help: Korean War Vet Wishes to Ride in a Fighter Jet

William is 77 and served in the Marines during the Korean War. His Twilight Wish is to ride in a fighter jet! For over 30 years, he worked on the F-101, F4 and the F-15 jets at McDonnell Douglas Aircraft in Missouri, but never had the opportunity to ride in one himself. William has served as both deacon and elder in his church for over 40 years and still goes on one to three week-long missions a year. If you can help grant this wish, either with a contact in the aviation field or by donating funds, please email or call Michelle at [Michelle@twilightwish.org](mailto:Michelle@twilightwish.org) or 215-230-8777 ext. 104.
