The SPRA and you - What can you do?

- ◆ **Volunteer and get involved** - contact spra@stockwellpark.com
- ◆ **Keep informed through e-Spark, the Association's email news service** Confirm your email and/or contact details - so the database is up to date and we can send you regular e-Sparks
- ◆ **Provide local news and recommend tradesmen** – to help us keep everyone informed through e-Spark and the website

◆ **Make a contribution towards the annual running costs of the Association**
The SPRA incurs administrative costs throughout the year (for printing, including two full issues of *Spark*, maintaining the website www.stockwellpark.com, church hall bookings, etc). These costs are met mainly from voluntary donations. It is intended that all funds raised by the Association's charity events, such as the Summer Festival, go directly to the local charities and organisations we support and not to covering running expenses.

There is a suggested minimum of £10 per household but any sum, however small, will be helpful.
