### IMPORTANT!

### Kroger Community Rewards Program Renewal Time Is Here

Another year of MVSAP's participation in the Kroger Community Rewards Program comes to a close on 3/31/11. That means that all of you participating in this program to benefit MVSAP must re-enroll beginning April 1st to continue earning rewards for us. **In just three quarters in the program, we've earned almost \$2,000** so we hope that all of you will opt to re-enroll after April 1st. We're a small group so this is a very significant part of our budget.

To re-enroll, just visit [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com) after April 1st, click on Ohio (or Michigan for our Michigan supporters), then click on Re-Enroll. If you're not yet enrolled, wait until April 1st, go to the website, click on Ohio and then on "sign-up". All enrollments must be done online. If you don't have a computer, all county libraries have computers available to the public or you can sign up on a friend's computer. You will need an e-mail account, which you can also sign up for on the library computer at one of the websites that offers free e-mail accounts, like yahoo or gmail or a friend can give you permission to sign up using their e-mail account.

**NOTE: The scan bar option for enrollment has been eliminated.**

Please help us to continue to earn money while you shop by enrolling, or re-enrolling, in the Kroger Community Rewards Program *after* April 1st.

### NOTICE — MVSAP Meeting Topics

## You Can Help Maumee Valley Save-A-Pet ...

### ... By Volunteering

MVSAP is looking for volunteers to help our foster and shelter cats and kittens at the adoption center in the Petco store at Monroe and Talmadge. Volunteers spend an hour a week filling food and water bowls, cleaning litter boxes, wiping down the cubicles (all supplies are provided by Maumee Valley Save-A-Pet), grooming and playing with the cats and kittens.

We also need volunteers to assist our foster moms with setting up and taking down tables and cages at our weekend adoption showings.

If you are interested in helping or would like more information, please call Cindy at 419-340-6998.

### ... By Going Online and Shopping

Search and shop online and raise money for Maumee Valley Save-A-Pet to help our dogs and cats!

Just type in **www.goodsearch.com** and enter Maumee Valley Save-A-Pet in the "Who Do You Goodsearch For" box. Each time you search, money is generated for MVSAP.

And while you're online, go shopping and make even more money for our cats and dogs! Go to **www.goodshop.com** or **www.igive.com**, and type in "Maumee Valley Save-A-Pet". When you shop at one of more than 1,000 participating stores (from Amazon to Zazzle!), MVSAP will earn a percentage of the purchase price – at no cost to you!

### ... By Donating to a Special Fund

- **The Honey Fund** - Encourages adoption of older cats and dogs through a reduced adoption fee.
- **Misty's Second Chance Fund** - Provides for unusual veterinary expenses for cats and dogs taken into our foster homes and shelter.
- **Spay/Neuter Fund** - In January and February, Maumee Valley Save-A-Pet approved the spaying/neutering of 37 feral, stray or low-income-owned cats and seven low-income-owned dogs, paid for with grant money and donations earmarked for the spay/neuter program.
- **Vet-a-Pet Fund** - Provides veterinary care to the animals of financially challenged members of the public.

Be sure to indicate on the "memo" line of your check to which fund you are contributing, and mail to Maumee Valley Save-A-Pet, 5250 Hill Ave., Toledo, OH 43615.

### ... By Recycling

Don't know what to do with the empty ink and toner cartridges from your printer? Don't trash them ... donate them to Maumee Valley Save-A-Pet! We take them to a local office supply store to be recycled, and we receive store credit to purchase office supplies, such as mailing labels and stationery (so more of your donations can go to help our foster and shelter cats and dogs).

All brands and sizes of cartridges are accepted.

Take the cartridges to one of our adoption showings or to our shelter. Turn your trash into cash for MVSAP!

## Remembering Wendy

Maumee Valley Save-A-Pet lost a good friend recently with the passing of foster mom and MVSAP officer, Wendy Hipp.

Wendy also served as our foster home coordinator up until her illness and her devoted foster parent crew wrote this message which was displayed at her memorial service. We think it describes Wendy's love and devotion to cats and especially, kittens, perfectly:

Can't you hear Wendy now? "Let's get everybody out of this big room and put some kittens in here to play!" She was always thinking of them, their health and happiness. For years she was, in her words "just a foster home" but we remember her as the consummate kitten mom, taking on the hardest task of animal care; raising brand new babies, usually without a mom to provide for them. When the rest of us would shudder at the thought of every two hour feedings, "poo poo" bedding, and constant bathing, Wendy's response was "let me talk to Doug" (her very patient and always helpful husband) and the next thing you knew she'd say "I'll take them". As the coordinator of our foster homes she led with a gentle hand, always taking time out of her task-filled day to patiently listen as we whined, complained, worried or cried about this animal or that. And just tell her about a neglected or abused animal and she was in her car, on her way to the rescue. "I'll put it somewhere" she'd say. Saturdays when we would show our cats for adoption at the local pet supply stores, Wendy would entertain us with her dry sense of humor and often be the first to suggest fries and diet Pepsi or Panera cookies with M&M's. But the best would be to see the response of her cats when she would return with our treats. Those cats would see only Wendy, focusing lovingly on her face and rubbing themselves against her hand. In their eyes, too, she was the best.

With love from Wendy's Maumee Valley Save-a-Pet friends. Our sincere condolences to Wendy's husband, Doug, and to her family and friends.

We would also like to send our sincere sympathy to the family and friends of long-time Save-A-Pet volunteers, Bev and Bonnie Wright.

### Your Spring Cleaning = A Successful Garage Sale for MVSAP

This year we're again tentatively planning to hold our popular garage sale in June instead of August so you won't have to hold onto your treasures for quite so long. So start cleaning out your basement, organizing your attic, and streamlining your garage and save what you no longer need or want for us. The more we get, the more we make!

We'll have further information on dates and location for drop-off and the sale in the next issue of the newsletter so save that stuff! And let us know if you're interested in volunteering to pick up items, sort and price, or work the sale. Call 419-537-9663.

### A Special Note

We wanted to share with you a note that we received from supporters, Sally and Gary Duncan, who read our story about Momma Kitty and Thomas in the last issue:

"Your letter about Thomas and Momma Kitty really touched my heart. Because we spend 7 months in Florida now, when we lost our Ernie cat, we adopted a kitty from the Humane Society of Sebring Florida.

Sophie is the light of our lives. We still can't believe that someone dropped off her and her brother on a golf course to fend for themselves at only about 7 or 8 weeks old.

Sophie is pretty spoiled now and has been saving her allowance for something special. She has enclosed a check for membership renewal and to help other kitties."

Thanks, Sophie, for helping other kitties while they wait for a great forever home like you found with Sally and Gary.

Note: Momma Kitty now has the run of the shelter during the day and greets our visitors, plays, and is just generally a happy, affectionate cat.

### Update on Edison

Many of you have been following the progress of Edison, the apparently feral 6 month old kitten stuck on the top of an Edison light pole on a freezing, snowy night.

After a short time in a kitty condo in the isolation room at our shelter, our shelter manager, decided to move the condo into the adult cat room and leave the door open so that Edison would have the option of coming and going as she pleased. In just a short time, Edison was a part of the cat room crew and turned out not to be feral in the least. She's a cuddly little butterball ready for a loving home.

### Dog Training Classes to Begin

Our popular dog training classes with Doug and Evelyn Ritter of Dundee K-9 will begin again in the spring. A firm date has not yet been set, but it will probably be sometime in April or early May every Saturday for six weeks at our shelter, 5250 Hill Avenue. Classes will run from 11 am to 2 pm and are open to the public. The cost is \$99 for 6 sessions and we'll receive a portion of the fee. This class covers basic commands while addressing specific behavioral issues with each dog in a comfortable atmosphere. In our last class the Ritters corrected multiple issues with our canine pupils, ranging from inappropriate treat guarding to basic sit and stay and the dogs ranged from a 10 week old puppy to our "mature" shelter resident, Ginger. You really can teach an old dog new tricks (or eliminate some bad ones)!

Our shelter dogs will be participating in the classes so we may need volunteers to handle them during the classes. If you'd like to volunteer to be a dog wrangler, call the shelter at 419-537-9663.

Still waiting for a forever home -  
Callie, a kitten surrendered on  
opening day of our shelter,  
August 1, 2009

### New Arrival

Our latest arrival is Lucy, a small terrier mix. Lucy was adopted from another rescue group that does not spay/neuter before adoption. When her adopter took her to the vet for her spay surgery, she was told that Lucy was pregnant and close to delivery. Her adopter agreed to keep Lucy until she had her puppies and then surrender them to Save-A-Pet. Lucy delivered seven little puppies about three weeks ago with no problem but became ill soon after. Our vet recommended separating her from her puppies so the search for a foster home willing to take on around-the-clock puppy care began. We located a wonderful foster home and the puppies are thriving. Lucy is timid but we expect her to come around with time and patience.

Lucy's new BFF at the shelter is our now toothless little old man, Dudley (featured in last month's issue,) whom she's bonded with as if they've known each other forever.
