

STEPS TO PLANT A CHURCH IN MINNESOTA

HEALTHY LEADER

1. Complete church planter application and initial assessment
2. Personal contact from Doug Vagle, MCM Director
3. Meeting with Lead Team member
4. Approval from MCM

HEALTHY CONNECTION

5. MOU with MCM and monthly coaching strategy arranged
6. Make contacts
 - a. Executive Presbyter and Sectional Presbyter
 - b. Pastor(s) close to where planting
 - c. Attend sectional meeting (after previous calls have been made)
 - d. Find a parent church
7. Develop MOU with parent church

HEALTHY DEVELOPMENT

8. Training – CMN Launch or equivalent
9. Create fundraising strategy and budget
10. Visit six church plants
11. Raise funds and build core team

HEALTHY BIRTH

12. Map pre-launch strategy
13. Complete necessary paperwork with government and Minnesota District Council
14. LAUNCH

HEALTHY GROWTH

15. GROW: Develop three-year growth track with Lead Team member

If a parent church already has a system in place developing PACs, MCM will work with the parent church concerning that plan.
