

SUPREME COURT OF QUEENSLAND
QUEEN ELIZABETH II COURTS OF LAW
415 GEORGE STREET, BRISBANE

MEDIA RELEASE

31 July, 2014

Today's Courier Mail has a front-page story and an editorial in which it is said that:

1. we are involved in a "revolt", "push" and "deliberate campaign" against the Chief Justice;
2. we are "behind a public campaign to try to force ... Chief Justice Carmody to quit his post";
3. we have been encouraging "retiring or retired judges to publicly attack him and have vowed to continue ... until he resigns";
4. we are involved in some attempt to have the Chief Justice appointed to a different position.

Each of these allegations is completely false.

It is a matter of grave concern that The Courier Mail published these false statements without referring them to us for comment before publication.
