

Journey of the Universe

An Epic Story of Cosmic, Earth, and Human Transformation

Peterborough, NH Community Theater, 6 School St
Sat., June 11, 9:30 a.m.

You are cordially invited to a free screening of this 60-minute EMMY®-Winning Documentary narrated by acclaimed evolutionary philosopher Brian Thomas Swimme and filmed in beautiful HD. This epic journey through time and space inspires wonder at the mystery, complexity and connectivity that permeates the Earth and universe from the very beginning. Executive producers, Mary Evelyn Tucker and John Grim, will conduct a follow-up discussion. They are Co-Directors of the Forum on Religion and Ecology at Yale.

“... a compelling approach to the scientific, aesthetic, and religious dimensions of our cosmic setting, inviting us to live lives that reflect the amazing creativity that has produced us.”

—George Fisher, The Johns Hopkins University

“This cosmic saga offers a compelling vision of the grand adventure in which we humans are taking part.”

—Scott Russell Sanders, author of *A Conservationist Manifesto*
