

ANGLICAN DIOCESE OF SASKATOON

WOMEN'S TRUST FUND

The Women's Trust Fund was established by the Diocese of Saskatoon Anglican Church Women as of December 31, 2017 to help initiate and provide seed money for a Diocesan women's event which would benefit women and be consistent with the values of the Diocese of Saskatoon Anglican Church. Women wishing to access this fund must be parishioners of the Diocese of Saskatoon, Anglican Church of Canada, and must write a 'statement of intent' to the Diocese of Saskatoon Synod office at least three months prior to the proposed event or activity (*see attached form*). The Women's Trust Fund will be maintained by the Saskatoon Anglican Diocese of Saskatoon and administered at the discretion of the Bishop until December 31, 2022. Each time funds are accessed to provide 'seed money' to hold a Diocesan women's event, the Women's Trust Fund will be extended for an additional five years. After five years of no access into the Women's Trust Fund, the moneys in the Fund will be placed into the Matheson Fund to provide ministerial training for women.
