

**Name:**

Artquest

**Location:**

National and International

**Type of Professional Development:**

Offers development specific to the visual arts

**Actions:**

This site offers advice on professional development and signposting towards organisations who offer professional development. It also offers a selection of Training and Skills options, e.g. Information and Advice, Short Courses, Gallery talks programmes, exhibitions and curating, presentation skills and career development. Artquest have recently announced A+, a new partnership programme with a-n (The Artists Information Company) that will provide increased professional development opportunities for artists throughout the UK.

**Timeframe:**

Ongoing. Current. Ongoing- current

(Events posts are very recent, but some professional development info is outdated, e.g. inclusion of Arts + Media in Coventry, which has closed.)
