Sharing the Art, Discipline, and Joy of Dance for over 31 years!

MARLA HEELER, OWNER – INSTRUCTOR

Welcome! We hope you will join our dance family. The Dance Arts Center begins our 32nd year of teaching the art, discipline, and joy of dance to children, teens, and adults .

Our curriculum includes Ballet, Pointe, Jazz, Tap, Hip Hop, Musical Theater, Contemporary and Tumbling. We're excited all of our classes continue to grow and our 'Just for Boys' classes keep getting bigger and stronger every year.

All floors in our 4 studios are constructed specifically for dance. Adult instructors teach all classes and are dedicated to help students achieve personal and physical growth in a challenging, positive environment. Dance is an athletic art form. It strengthens and inspires – physically, mentally, and artistically. Our students learn proper technique, poise, concentration and confidence. Dance Training = Life Training.

We are very proud to continue 'Beyond Dance' program – a free class specially designed for children with physical challenges.

PRE-BALLET– 45 MINUTE CLASS

A graduation to a more formalized ballet class. Ballet basics will be expanded upon with concentration on proper posture and more challenging combinations.

Apparel: Female students will wear black leotard, pink tights and pink ballet shoes. Hair will be in a bun.

Male students will wear a white t-shirt, navy or black shorts or pants, and black ballet shoes. Hair is securely off face and neck.

PRE-TAP – 45 MINUTE CLASS

Older children get to expand upon the basic rhythms learned in combo classes. More challenging tap combinations are taught and they begin to learn the origination of tap terminology.

Apparel: any colored leotard and tights and black tap shoes.

Hair is securely off face and neck.

**JUST FOR BOYS – AGES 4 TO 6**

A fun, high-energy class incorporating Tap and Hip Hop. This class helps boys develop balance, power, and coordination through men's center work and strength building exercises.

Apparel: black tap shoes and clean tennis shoes or black jazz shoes. Navy or black shorts or sweat pants and a white t-shirt. Hair is securely off face and neck.

SPECIALTY CLASSES

BEYOND DANCE – AGES 5 AND UP

Children with physical challenges can enjoy and experience the benefits of movement, self-expression, and music in this specially designed class.

Our goal is for children, regardless of physical abilities, to participate in the art, discipline, and joy of dance.

There is no charge for Beyond Dance.

TUMBLING – AGES 5 & UP

Students gain upper body strength, agility, and flexibility thru cartwheels, rolls, somersaults and hand springs along with other athletic exercises.

Note: this class does not perform at our concert.

Apparel: leotard, footless tights and no shoes (students participate barefoot).

Hair is securely off face and neck.

BALLET – 8 YEARS OLD AND UP

A formalized style of movement started in the courts of Europe. It has established terminology and sets of exercises that are incorporated into barre and then center work. Body placement, posture, balance, flexibility, and coordination are stressed. Training in Ballet is essential to the skilled development of all dance forms.

Apparel: black leotard with pink tights and pink ballet shoes. All female students will wear their hair in a bun.

JAZZ – 8 YEARS OLD AND UP

A form of dance that borrows from Ballet and Modern technique and develops stylistically. We require students to have at least one year of Ballet training before enrolling in a Jazz class. Classes consist of a warm-up, floor stretch, center barre, progressions and center combinations.

Apparel: solid colored leotard, tights, and black Jazz shoes. Jazz pants are permitted but they must fit tightly throughout the hip, thigh, and knee area. Hair is secured off face and neck.

HIP-HOP – 7 YEARS OLD AND UP

Often considered street dances that mix with more structured styles such as Jazz. Hip Hop encourages students to use many different stylistic techniques and allows them to interpret moves in varied ways. Fast-paced and challenging, creative, rhythmic talents are emphasized using age-appropriate music.

Apparel: comfortable clothing and clean tennis shoes or jazz shoes.

**TAP – 8 YEARS OLD AND UP**

Rhythmic footwork with specially designed shoes. Its origins are in America, based on the Irish Jig and Clogging. The emphasis is placed on rhythm, style and clarity of sounds. Tap is an excellent way to develop a sense of rhythm, timing and stage presence.

Apparel: solid color leotard and tights or jazz pants and black tap shoes. Hair is secured off face and neck.

MUSIC, SONG & DANCE

MUSICAL THEATER – 7 YEARS OLD AND UP

Spelled ‘theatre’ in England and ‘theater’ in the USA. A form of theater combining music, songs, dance, and spoken dialogue distinguished by the use of popular music. Typically ‘when the emotion becomes too strong for speech, you sing; when it becomes too strong for song, you dance.’ Dance in the context of story-telling in theater will be explored with an emphasis on the performance persona.

Apparel: leotard and tights or jazz pants. Jazz shoes are worn in class. Hair is securely off face and neck.

CONTEMPORARY DANCE

CONTEMPORARY DANCE – BALLET LEVELS 3 AND UP

A fusion of jazz, ballet and modern dance. Developed in the mid-20th century, it has become one of the most popular forms of dance. Contemporary Dance is often seen on television shows like **So You Think You Can Dance**. Contemporary dance usually has varied and changing rhythmic patterns and often incorporates floor work. There is no limit to the movement exploration a dancer can experience with Contemporary Dance.

Students must be enrolled in a ballet class to take Contemporary.

Apparel: any color of leotard and tights, dance shoes such as paws. Hair is securely off face and neck.
