Name of Applicant : .................................................................

Institution: ..............................................................................

Student Research Grants
Application for Support in 2011 Calendar Year

PART 1

a. I wish to apply for an NSW IER Student Research Grant and, with this Application Form, I enclose a Supporting Statement (no more than 2 pages) to explain the following:
   • Aims and significance of the research project;
   • Research plan, methods and techniques;
   • Justification of support moneys requested; and
   • Timetable for development and completion of the research project.

b. Research grants I have held in the past three years are as follows (granting body, period and amount):

...................................................................................................................

c. Applications for research grants lodged concurrently with this application (granting body and amount)

...................................................................................................................

d. Signature of Applicant: .................................................... Date: .........................

NOTE:
1 Applicants must be members (or have applied for membership) of the New South Wales Institute for Educational Research.
2 Applicants must be undertaking educational research in New South Wales under the supervision of an experienced researcher, such as in a program of studies at a university.
3 Applicants should consult the NSW IER Explanatory Statement on Student Research Grants before submitting an application.
4 Applicants must have their applications endorsed by their research supervisor and Dean or person of equivalent status of their institution before e-mailing the completed application with supporting statement all in one document labeled with your name by 6 December 2010 to Dr Ken Sinclair, NSW IER Student Research Grants at: km.sinclair@bigpond.com

If authenticated electronic signatures cannot be sent with the required endorsements (Supervisor and Dean), please send hard copies (either originals or scanned copies) to km.sinclair@bigpond.com or Dr Ken Sinclair, 37 Northwood Rd, Northwood, NSW 2066.
PART 2

a. PROJECT TITLE

Provide a project title that is clear, brief, precise and informative to the lay reader:

........................................................................................................................................................
........................................................................................................................................................
........................................................................................................................................................

TOTAL MONEYS requested to support the project (max $1,200) .........................

b. APPLICANT’S NAME, ADDRESS AND SUPPORTING DETAILS

Mr
Miss ..............................................................................................................................................
Mrs (Given Names) (Family Name)
Ms
E-mail: .................................................................................................................................

Postal ...........................................................................................................................................
Address:........................................................................................................Post Code: ...........

Phone No: H. ...................... B. ......................... M. ............

c. Position:
(If a full-time student, state course, stage of course, Faculty/Department/School and Institution. If a part-time student, provide this information but also indicate your current work appointment)

........................................................................................................................................................
........................................................................................................................................................
........................................................................................................................................................

d. Membership of NSW Institute for Education Research
Is membership current? ..............................................................................................................
If not, has an application for membership been lodged? ...........................................

e. SUMMARY OF PROJECT
(Write a summary of the project in no more than seven lines, intelligible to the lay reader.

........................................................................................................................................................
........................................................................................................................................................
........................................................................................................................................................
........................................................................................................................................................
........................................................................................................................................................
........................................................................................................................................................
f. OTHER PARTICIPANTS
(If the research is not being undertaken as an individual project, provide details of the co-investigators or associate investigators and the roles played by each in the research.)

........................................................................................................................................................................
........................................................................................................................................................................

g. TIMETABLE for completion of the work for which the grant is sought

........................................................................................................................................................................
........................................................................................................................................................................

h. BUDGET INFORMATION (Moneys requested to support the research project)

<table>
<thead>
<tr>
<th>Item</th>
<th>Priority (A, B or C)</th>
<th>Amount Requested</th>
</tr>
</thead>
<tbody>
<tr>

........................................................................................................................................................................
........................................................................................................................................................................

Total Requested $.................

j. OTHER RELEVANT INFORMATION:

........................................................................................................................................................................
........................................................................................................................................................................
PART 3

INSTITUTIONAL SUPPORT FOR APPLICATION

a. Name of Institution: (University or College)  ............................................................

b. Research Supervisor: ..............................................................................................

c. Position Held: ........................................................................................................

d. Statement of Support by Supervisor: .................................................................

I certify that the information on this form about the applicant’s research project is correct and the project has been approved OR is being considered for approval (delete one) by the School/Faculty. Where appropriate, ethics approval has been granted OR is being considered (delete one) for this research. (If the project is still being considered, grants will be made subject to notification that approval is given.)

Signature: ............................................................. Date: ..............................................

d. Certification by Dean or person of equivalent status:

Please note. The NSW IER Student Research Grant Scheme will accept no more than three applications from one Institution in a given year.

I certify that this application for an NSW IER Student Research Grant is supported by this institution which will support no more than three such applications in any one year.

Name: ...........................................................................................................Position..........................................................

Signature....................................................

Date: ......................................................
