

Dear MFSCH Member Coaches,

U.S. Figure Skating mandates that all member clubs enforce coach compliance ([USFS rules MR 5.11 through MR 5.14](#)).

Please print your Coach Compliance Card via the USFSA Member Only site and email it to memorialfsc@gmail.com. If one or more pieces of your compliance are not showing on the card, please contact the appropriate organization (U.S. Figure Skating and/or PSA) to update your information. In addition, be prepared to show proof that you have completed the missing piece(s) until your record is updated accordingly.

If you are not on the Coach/Instructor Compliance list on the U.S. Figure Skating website, and cannot produce proof that you have met the requirements, you will be considered “non-compliant” members of U.S. Figure Skating and PSA, and will not be allowed to coach athletes, nor have contact, either directly or indirectly, at any U.S. Figure Skating or member club activities (USFS rule MR 5.13)

Therefore, please take the steps to get your compliance in order promptly so you, your skaters and our club can avoid any unpleasant situations in this regard.

Thank you for your attention to this matter.

Sincerely,
Memorial Figure Skating Club of Houston
