

Camp Director, Head Football Coach Gabe Infante

Gabe Infante has been the head football coach at St. Joseph's Prep since 2010, winning three PIAA State Championships in four years (2013, 2014 and 2016) while also capturing the Catholic League and District 12 City Championships all three of those years. All three teams finished in the top 40 nationally and number 1 in Pennsylvania and last year's group finished the season ranked eighth in the country. Infante earned Coach of the Year honors for his efforts.

Infante is a member of USA Football's Advisory Committee and is a Master Trainer in USA Football's Heads Up program that partners with the NFL. Infante travels around the country conducting player safety clinics and helps promote the program's techniques and benefits to youth and high school coaches. He and the Prep program were featured in a segment on NFL Network on the subject. Twice Infante has coached in the U.S. Army All American game, as defensive coordinator in 2012 and head coach for the East Squad in 2015. He has also coached three U.S. National Teams including being the Head Coach of the 2017 U-17 Team in the International Bowl in Dallas, Texas. In 2017, he was named Scholastic Coach of the Year by Drexel University's Philadelphia Coaches Conference and the U.S. Army National High School Coach of the Year.

In addition to his performance on the field, Infante has overseen a renovation of the school's weight room and the construction of the school's first practice facility. He continues to lead annual football summer service projects that have served the people of Alabama, Virginia, Michigan, Ohio and Georgia. In his time at the Prep, several players have earned spots on college teams, including the University of Georgia, Penn State University, University of Michigan, University of Virginia, Princeton University Lafayette College, Lehigh University, Columbia University, Harvard University and Johns Hopkins University, among others. Infante is a graduate of New York Law School and is a licensed attorney in the state of New Jersey. In addition to his coaching duties at the Prep, Infante is the Associate Athletic Director of Athletic Performance and lectures nationally for Hammer Strength.
