

**AE ACKENHEIL
ENGINEERS, INC.**

Civil • Environmental • Materials Testing

TO: Ackenheil Engineers, Inc. Pittsburgh Office
From: I-70 & I-79 Interchange

- **I-79N** toward Pittsburgh (or Erie).
- From I-79N, take exit to **I-279N** toward Pittsburgh.

Review the attached map for the following instructions:

- Take I-279N to **Exit 7B**. This is the last exit before entering the Fort Pitt Tunnels.
- Take Exit 7B on to North RT-19 & RT-51.
- Immediately after entering North RT-19 & RT-51, move to the left two (2) lanes and then turn left onto the **I-279S/Carnegie/Airport Exit** (this exit has no exit number).
- While still on the I-279S/Carnegie/Airport Exit, take the **RT-19S/Banksville Rd. Exit** (this exit has no exit number). Stay in the right lane as you go down the hill.
- At the bottom of the hill there will be a bend to the right. Just beyond the bend, there is a small road, called Banksville Ave., to the right. Turn right onto **Banksville Ave.** If you miss the turn onto Banksville Ave., take the next right into the Days Inn parking lot. Drive through the parking lot and turn right onto Banksville Ave. You'll be able to see our office from the parking lot. Our building has a sign on top of it that says "1000 BANKSVILLE RD."
- **Ackenheil Engineers, Inc.** is the second building on the right. The address is 1000 Banksville Ave. You can park in front of the building or in the lot on the side of the building.
- Call 412-531-7111 if you get lost.
