

# Teacher Tribute Giving Program

## Honor a Teacher and Support Andover Coalition for Education (ACE)!

You can recognize any member of the school community - a teacher, aide, custodian, staff member or administrator - and their contribution to your student's education during Teacher Appreciation Month or at the end of the school year. Your honoree (or honorees) will receive a personalized card including your name and if you wish a personal message along with a message from ACE explaining you donated funds in appreciation of their efforts. The amount of the donation remains private.

Your gift to Andover Coalition for Education (ACE) will support new innovative initiatives that address the challenges of the 21<sup>st</sup> century, preparing our students with the skills to excel in a collegiate environment and an ever-changing global economy.

This is a wonderful way to show your appreciation to the teachers and staff of Andover's schools while helping enhance education at the same time!
