## Christmas Hours!

Just a quick reminder that on Christmas Day the grass park will be closed to humans, but we will be gladly accepting daycare dogs. However, we will be having specific drop off times from 8-10 AM, and pick-up times of 6-8 PM.

Please remember that Christmas is a busy time of year for us, so we ask that you please make any boarding arrangements as far in advance as possible.

Also, please note that our monthly staff meeting will be taking place on December 12th, and we will be closing at 6 PM.

# Lotus Natural Foods For Sale

WHOLESONE CHICKEN RECIPE

Fido's is proud to announce that, after searching for the most nutritious dog food around, we will be introducing Lotus Natural Food for Pets! It is a unique line of holistic, oven-baked dry foods. It is made with high-quality animal proteins like lamb and poultry, whole fruits and veggies, a unique oil blend bursting with omega-3s and 6s, and energy-giving carbs like barley and potatoes, all baked into tasty little morsels that will have your pet smiling from ear to floppy ear.

WHOLESONE LAMB RECIPE

Lotus food has a whole range of health benefits compared to regular, extruded dog food and kibble. Oven-baked Lotus retains 100% of its vitamins and proteins, whilst extruded dog foods typically lose an average of 40% of their vitamins and 20% of their proteins during the cooking process. This means that all of Lotus' fresh fruits and vegetables still provide all of those wonderful antioxidants to keep your best friend's cells healthy. On top of this, you'll need to feed less! A bag of Lotus lasts 20% longer. This is because a cup of Lotus weighs only 4oz and many extruded foods weigh an average of 6oz.

All ingredients are sourced in North America (USA and Canada). There are three exceptions on our ingredient lists: New Zealand Green Mussel, Deboned Lamb and Lamb Meal – all these great ingredients come from New Zealand. All in all, the perfect meal for a healthy dog!

## Brand New Leashes – The Perfect Christmas Gift!

Come check out a brand-new range of leashes at Fido's! The perfect gift for dog walkers, whether walking one or even multiple dogs! The leashes are tangle free, very strong, and with a swivel construction that allows your dogs to walk with more freedom and less frustration. You have the option to lengthen the single or double leashes 40 inches or shorten either to 30 inches. This is great if one dog is bigger and needs more room, or if one dog needs to be closer to you. This exciting new range is made locally in Gresham, and they come in a variety of bright colors to ensure your dogs are the envy of all their furry friends! So stop by our retail section and check them out!
