

“Our mission is to make the journey with cancer less stressful by helping to defray some of the travel costs not covered by insurance.”

- 1. Are you or a loved one currently being treated for cancer?**
- 2. Do you reside in Lewis County or utilize services at LCGH?**

If yes, the LCGH Fund for Hope may be able to help defray travel expense relating to your cancer treatment.

Some of the ways we help include:

- Transportation expenses**
- Lodging**
- Tolls and Parking**
- Gas Cards**

For an application visit www.lcgh.net or call LCGH Oncology Navigator, Joanne Dicob, at 315-376-5493.
