

August, 2017

Dear Participants,

You are invited to join us for the seventh annual "Paint the County Pink" event, starting October 1, 2017. The event will transform Lewis County businesses, restaurants, county offices, churches, schools, and individual homes as they "GO PINK". This is a community wide effort presented by LCGH Fund for Hope to raise awareness of the importance of breast cancer prevention, detection, and treatment.

"Paint the County Pink" is an inspiring and entertaining event to honor breast cancer awareness month. There is no cost to participate. The event is all about raising awareness and recognizing those who have fought or are fighting breast cancer in our community. Participants are asked to show their support by decorating pink. Entries can be as small as displaying a pink ribbon or as large as a full pink out. The choice is yours.

This year we will not be judging the participants. Instead, we are asking you to decorate and take pictures. You can enter the contest simply by posting picture(s) of your work to the "LCGH Paint The County Pink 2017" Facebook event page. Three entries will be drawn at random and each winner will receive two tickets with reserved seating to this year's 10th Annual Breast Cancer Awareness Dinner, which is being held on Tuesday, October 17th at the Lowville Elks Club. All entry pictures will be shown in a slide show the night of the dinner.

Dinner theme this year is:

Don't have Facebook? No worries. You can also submit your photos by e-mail to pr@lcgh.net or by mailing your pictures to LCGH Fund For Hope, 7785 North State St, Lowville, NY 13367. Please be sure to include your name and phone number if submitting by mail.
