Lieutenant Jeffrey J. Angermeyer
Bergen County Prosecutor's Office Cyber Crimes Unit

Title of Program: Cyber Crimes Targeting Municipalities
Legislative Update

This program will provide an overview of PC and network security, best practices, and strong considerations for good information security (InfoSec). Along with a rapid review of the basic risks and dangers facing networks today, this course will summarize the primary attack vectors that should worry administrators and those who have a fiduciary responsibility to protect data. Perhaps most importantly, attendees leave armed with the requisite information to better secure their digital interests.
