

**CALVIN HAMPTON**  
**1938-1984**

**Trumpet Tune**

Calvin Hampton was one of the most creative organists of our time. He maintained a rather groundbreaking music program at Calvary Church in New York City, where his "Fridays at Midnight" series was a hit for thousands of music lovers. He also composed everything from chamber music to exquisite hymn tunes, to rhythmically 'muscular' organ music. The *Trumpet Tune* presents a fairly sophisticated rhythmic interplay that is as integral to the piece as any melody it might otherwise have.
