SEE living history being made. Do not miss this opportunity to inspect the progress being made in the building of the Matthew Turner Educational Tall Ship, the first tall ship built from scratch in the United States in 100 years. Tickets for this event are only \$50 per person, \$40 for members of the Historical Society, with children under 12 free when accompanied by an adult. In addition to being able to tour the Matthew Turner with several of the shipbuilders on hand to answer questions, each ticket buyer will automatically be entered into a raffle with an array of exciting prizes. Grand Prize will be a sail on the Matthew Turner once she is launched. Other prizes include additional outings on the bay, a seaplane ride, use of a Southern California beach house for a week, tickets to the Floating Homes Association Tour and many more. Each ticket buyer also will receive a free drink and complementary appetizers. A no-host bar will be available for your enjoyment. Support two great causes and attend the Sausalito Historical Society event at the Matthew Turner Educational Tall Ship.

Advance reservations are requested.

To make a reservation, visit the Society's History Room on the top floor of City Hall, open Wednesdays and Saturdays from 10:00 a.m.-1:00 p.m., or call 415-289-4117, or send a check to the SHS, PO Box 352, Sausalito, CA 94966.
