

Medium / Heavy-Duty Work Trucks in HO-scale!

Wheels of Time Custom Editions

WOT # 30200 - RR M-o-W Truck

Wheels of Time is delighted to present **everyday work trucks** used by Railway M-o-W, fleet owners and construction contractors. These Series 50/60/80 trucks were built in 1964 - '66 for medium to heavy-duty applications. They were well liked. Economical to acquire and operate, and were very reliable.

We designed these fine replicas, so you can be proud to have them on your model railroad layout. MSRP \$29.99

WOT # 30201 - Dump Truck

WOT # 30203 - Semi Tractor;
Used by railroad trucking company & piggy-back operations

WOT # 30202 - Stake-Flat Bed Truck
Has removable stakes.

Model Features • Highly detailed 3D printed acrylic resin • Designed so wheels roll free
We have redesigned all the trucks to have separately applied wheels and tires to ease painting. Tires can be optionally replaced with those from A-Line. Requires 1/16 brass rod for axle; light cleaning up & painting. See <http://www.wheelsotime.com/ho-medheavy-duty-work-trucks/> for additional product details and instructions.
