

Fall Feeder Concert : Thursday, Oct 6, 2016

We are so looking forward to our first concert and thrilled to be having our entire choir feeder with us. We hope you enjoy seeing the progression of skills as the students learn and grow, and hopefully it will make it a little easier for families with more than one singer!

Notes:

- I know sometimes families don't prefer this type of music but it requires so much work at a high skill level. Please show your kids your support – they work harder on this music than anything else they do all year. You won't want to miss this!
- ALL students must attend this concert – it is a graded assignment and part of our class. This event does **not fall under eligibility guidelines because it is a CURRICULAR assessment**
- Students are graded on promptness, participation, etiquette, uniform, and performance
- Full concert attire is expected – wrinkle-free, jewelry-free, scent-free, hair out of faces, clean and deodorized
- All students are expected to stay for the entire concert. Part of what we learn is through our evaluation and discussion of the entire concert.
