2	Chief RPA mounts
---	------------------

Projectors must be returned without evidence of extreme heat exposure or unusual wear-and-tear. DO NOT enclose the projectors, evidence of such rigging constitutes destruction of equipment. Bulb use should reflect no more than 5 days of 12-hour tech rehearsals per rental, and no more than 4 hours per-day usage during the regular run of show.

All equipment must be returned with original boxes and packaged as shipped.
