THE WHISKEY is a
yellow tooth in co-
lor but symbolize
s nothing the way
a river does... Or
is it the nothing
that one utters when
one says there is no
thing wrong is a riv-
er- which is endless?

[whose No anyway?]

NO... Whiskey IS tooth.
Sharp as consonant
sound clacking one's con-
sonance. Once bitten:
the blood-filth reeking
whiskey's wheat yellow.
