Greetings,

I hope and pray that you are all doing well.

In the words of the psalmist: "Come, let us sing to the Lord! Let us shout joyfully to the Rock of our salvation. ²Let us come to him with thanksgiving. Let us sing psalms of praise to him.]³For the Lord is a great God, a great King above all gods.". The holiday season is upon us and for many; this is the busiest time of the year. There are so many preparations to be made; shopping, cooking and guest preparations. With all of the business of getting ready for Thanksgiving, it is sometimes easy to forget to be thankful. Yet we have so much to be thankful for and I want to issue this challenge to you, "lets come before him with thanksgiving".

Thank you to all who helped to make our Halloween Carnival a big success in spite of the weather. We were able to provide a safe environment for several kids for Halloween because of your help and investment. Also want to give a big thank you to the Ryder family for the landscaping at the church. It looks amazing and we are very grateful for their generous contribution. We know have a church app for your smart phone. This app is totally free for you to use. The free app can be downloaded in iTunes or Google Play; search mychurchapp. After the app is downloaded you will open it and search the name Freeport Assembly. The app has several features that will be convenient for you to use. The 18th of November we will have a special candlelight communion and thanks offering service.. All other Wednesday evening activities will be postponed in lieu of this service. I want to invite each of you to come and join us for this time of giving thanks.

Nikki says thank you to all who helped to celebrate her birthday even though we did not get to have service that Sunday. The food was great and she and I thank you for providing it. You guys are awesome and my family and I are grateful to be apart of such an amazing church.

Blessings,

Pastor Eric
