ARTICLE III – GRIEVANCE PROCEDURE

SECTION 1: DEFINITIONS: A grievance shall mean an allegation by a teacher resulting in a dispute or disagreement to the interpretation or application of any term or terms of this Agreement. All time limits consist of school days. Except when a grievance is submitted fewer than ten (10) days before the close of the current school term, then time limits shall consist of all week days. Time limits may be extended by mutual written consent. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted, provided the adjustment is not inconsistent with the terms of the Agreement.

SECTION 2: PROCEDURE: STEP I – The grievant may present the grievance in writing to the Superintendent within twenty (20) days of the event giving rise to the grievance, who will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The grievant shall specify in writing the Article and Clause alleged to have been violated and shall state the remedy sought. The grievant and the Superintendent shall be present for the meeting. Within ten (10) days of the meeting, the grievant shall be provided with the Superintendent’s written response. STEP II – If the grievance is not resolved at Step I, then the Association or grievant may refer the grievance to the Board or the Board’s official designee within ten (10) days after receipt of the Step I answer. The Board shall arrange with the Association Representative for a meeting to take place within ten (10) days of the Board’s receipt of the appeal. Within ten (10) days of the meeting, the Association shall be provided with the Board’s written response.

SECTION 3: ARBITRATION: If the Association is not satisfied with the disposition of the grievance at Step II, the Association may submit the grievance to final and binding arbitration through the American Arbitration Association which shall act as administrator of the proceedings. If a demand for arbitration is not filed with the Board within twenty (20) days of the date of the Step II answer, then the grievance shall be deemed withdrawn.

- A. The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. His/her authority shall be strictly limited to deciding only the issues presented to him/her in writing by the District and the Association, and his/her decision must be based only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.
- B. Each party shall bear the full costs for its representation in the grievance procedure.
- C. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Association.
- D. Each party shall share equally the cost of the arbitration which shall be limited to the arbitrator’s cost.

SECTION 4: BYPASS: By mutual written agreement, any Step of the Grievance Procedure may be bypassed.

SECTION 5: GRIEVANCE WITHDRAWAL: A grievance may be withdrawn at any level without establishing precedent. Failure of a teacher of the Association to act on any grievance within the prescribed time limits will bar any further appeal. An Administrator’s failure to give a decision within the time limits shall permit the grievant to proceed to the next step.

SECTION 6: FILING OF MATERIALS: All records related to a grievance shall be filed separately from the personnel files of the teachers.

SECTION 7: CLASS GRIEVANCES: Grievances involving two or more teachers shall be initially filed by the Association.

SECTION 8: RELEASE TIME: Should the investigation or processing of any grievance require that the employee or an Association Representative be released from their regular assignment, the employee or Association Representative shall be released without loss of pay or benefits.

ARTICLE IV – TEACHER AND ASSOCIATION RIGHTS

SECTION 1: RIGHT OF REPRESENTATION: When any teacher is required to appear before the Board for a formal discussion concerning a disciplinary matter, the teacher shall be given reasonable prior written notice of the reason(s) for such meeting and shall be entitled to have a representative of the Association present, if the teacher so desires. - D. Review shall be limited to documents or information that the Employer may use in determining that teacher's qualifications for employment, promotion, transfer, additional compensation, discharge, or other disciplinary action. Excluded from this right to review are the following:
 - 1. All pre-employment confidential materials.

The Employer agrees that, for the duration of the Agreement, it will not engage in a lockout of teachers.

SECTION 9: VACANCIES: Vacant teaching positions shall be posted for a minimum of five (5) working days prior to the filling of the position.

ARTICLE V – LEAVES OF ABSENCE

SECTION 1: SICK LEAVE: Teachers shall be granted twelve (12) days of Sick Leave per year. Unused Sick Leave shall accumulate to an unlimited number of sick days of which up to two (2) years, (360 days), may be used for the purpose of early retirement so long as it remains permissible under Illinois Law and does not conflict with Section 5, Article VII of this agreement.

Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness, or death in the immediate family. The Superintendent and/or his designee shall monitor the use of teachers' sick leave.

For the purpose of Sick Leave, "immediate family" shall include parents, spouse, children, brothers, sisters, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

In the event of the death of an "immediate family member" as defined in the previous paragraph, employees are entitled to a maximum of three days of absence per year without loss of pay and/or sick or personal leave days. If the requested bereavement period extends beyond three days, the employee shall be permitted to use sick days.

After an absence of three (3) consecutive days for personal illness, the teacher may be required to furnish a physician's certificate of treatment.

The Employer shall furnish each employee with a written statement at the beginning of each employee work year setting forth the total sick leave credit.

A sick leave bank from which days may be withdrawn shall be created by the Teachers' Association in consultation with the Superintendent. When a teacher is unable to work due to a catastrophic illness or injury and has exhausted all available paid leave to which he/she is entitled other than extended sick leave, that teacher may apply for additional paid sick leave days from the sick leave bank. The teacher may receive additional leave from the bank up to the number of work days remaining in the school term during which his/her available paid leave is exhausted. Teachers are allowed to draw from the bank only for one continuous illness or injury.

The Association President shall be responsible for obtaining written authorizations signed by the contributing teachers indicating the number of days they will be voluntarily contributing to the bank. Teachers may contribute up to three (3) of their unused accumulated sick leave days. The Association President will be responsible for submitting to the Superintendent copies of all written authorizations from the teachers. Days contributed to the bank by a teacher will be removed from the contributing teacher's accumulated leave, will be non-refundable and will be maintained in the bank.

A committee consisting of two (2) DETA members and the Superintendent will be responsible for approving all written requests for use of days from the sick bank.

SECTION 2: PERSONAL LEAVE: The use of Personal Days subject to the following conditions:

- A. Full-time teachers shall have two (2) personal leave days.
- B. Part-time teachers shall have one (1) leave day.
- C. Non-accumulative.

- E. Days may not be used immediately before or immediately after a holiday unless prior approval is granted by the Superintendent.
- F. Personal Leave cannot be used during the first week and the last week of the school year without special advance written permission of the Superintendent. The Superintendent retains the right to approve or disapprove all such requests.
- G. No more than two (2) teachers may be granted Personal Leave for the same day, except in cases of emergency.
- H. Unused personal leave days shall be added to accumulated sick leave at the end of each school year.

With the Superintendent's prior approval, a teacher may be granted additional personal leave days. Payment for the substitute teacher will be deducted at the current substitute payment rate from the teacher's next regular paycheck.

SECTION 3: PROFESSIONAL DAY: Professional Days may be granted to teachers based upon the relevance of the activity/workshop content to teacher professional needs and district goals.

- A. The purpose must be approved by the Superintendent.
- B. The teacher must notify the Superintendent in writing at least one week in advance of the activity. The notice shall provide the date and purpose.

SECTION 4: CHILD CARE LEAVE: A leave of absence may be granted to tenured teachers for the purpose of child care. Such leave is subject to the following conditions:

- A. The leave period may be for the duration of the school semester in which leave was granted but in no case shall the leave exceed one calendar year from the commencement of the leave. The teacher may request an extension of the leave period through the end of the current school year and such request, if granted, shall be at the discretion of the Board of Education.
- B. A teacher desiring such leave shall make a written request to the Board of Education no later than sixty (60) days prior to the commencement of the leave. The beginning and ending dates of such leave must be acceptable to both the Board of Education and the teacher consistent with a reasonable continuity of the instruction program. A teacher may request early reinstatement but such reinstatement shall be at the discretion of the Superintendent.
- C. A teacher who is granted Child Care Leave shall retain tenure and seniority upon return.
- D. The teacher may elect to continue insurance benefits by paying the full premium amounts, during the term of the leave, subject to the requirements of the insurance carrier.
- E. Upon termination of the leave, the teacher shall be reinstated to the same or similar position.

SECTION 5: JURY DUTY: There shall be no loss in salary because of Jury Duty, except that the Board may make a deduction equal to the amount received for such Jury Duty.

ARTICLE VI – WORKING CONDITIONS

SECTION 1: TUITION REIMBURSEMENT AND ADVANCEMENT ON THE SALARY SCHEDULE:

A. GRADUATE CREDIT APPROVAL AND REIMBURSEMENT

- 1. Teachers who take courses voluntarily shall be reimbursed up to \$320.00 per credit hour for achieving a "B" or above as indicated on official college transcripts. The reimbursement for achieving a "C" will be \$160.00. There will be no reimbursement for grades below a "C". Up to six (6) approved credit hours may be earned each semester and no limit will be placed on the number of approved hours taken during summer sessions.
- 2. Teachers who earn pre-approved graduate and/or non-graduate credits may advance on the Salary Schedule and receive reimbursement provided the following requirements have been met:
 - a. The teacher shall receive approval from the Superintendent prior to registration.
The Superintendent may accept or reject the course based on its relation to subject(s) taught and subject to the following conditions.
 - i. Teachers may not advance beyond the Bachelors 36/Masters column without having earned a Master's Degree.
 - ii. Teachers who possess a Masters degree may advance to a maximum of Masters +24 on the salary schedule using any combination of approved graduate, undergraduate and/or workshop hours taken after the Master's Degree has been earned.
 - b. Once advanced approval of a course(s) is given and the course is successfully completed, the following conditions must be met prior to the teacher receiving the appropriate salary schedule placement and reimbursement:

- i. All hours must be earned at an accredited university;
 - ii. An official transcript from the university demonstrating successful completion must be received and on file in the District's Administrative Office no later than the first Tuesday in September.
- 4. Teachers shall be advanced to the appropriate earned step on the salary schedule only at the beginning of the school year. The salary schedule becomes effective the date this agreement is ratified.
- 5. Teachers who have not earned at least three approved graduate, undergraduate and/or workshop credit hours within three years preceding the school year will be frozen at their current step on the salary schedule.
- 6. Teachers may only advance 1 step of experience per year

B. WORKSHOP APPROVAL AND REIMBURSEMENT

- 1. Advancement on the salary schedule can be achieved by accumulating clock hours for professional workshops taken. Teachers who attend workshops either voluntarily or at the request of the administration shall have registration costs paid for at the time of registration. All other costs associated with attendance at workshops will be the responsibility of the teacher to pay until after the workshop is completed. Upon completion teachers will need to submit receipts and mileage for all costs eligible for reimbursement.
- 2. Fifteen (15) approved clock hours from professional workshops taken outside the contractual school day (non-college credit courses) will constitute the equivalent of one graduate semester hour to be applied to the salary schedule. Any advancement on the salary schedule shall be made only at the beginning of the school year. The salary schedule becomes effective the date this agreement is ratified.
- 3. Workshops or courses must be approved by the Superintendent, in writing, prior to participation if the hours earned from the workshops or courses are to be applied to the salary schedule. Salary credit may not be given for courses/workshops that:
 - a. Are required by either State or Federal agencies for continued employment;
 - b. Have no direct relationship to the teaching position;
 - c. Are not documented, including a written summary and evaluation as an attachment to the workshop approval form.

SECTION 2: MILEAGE: Should a teacher be required by the District to use his or her personal vehicle for school business, they shall be paid according to the existing Internal Revenue Service rate. The rate will be set for each school year on July 1. Reimbursement shall be given only to and from the destination that was pre-approved using the school as a base.

SECTION 3: TEACHER WORK DAY: The contractual day will be from 8:15 AM to 3:45 PM except on the last working day of the week when teachers may leave after all students have been dismissed following the final bell and after buses have left the premises. All teachers shall be afforded a duty-free lunch of no less than thirty (30) minutes. On the last attendance day prior to winter and spring break dismissal will be set at least one hour prior to the regular dismissal time.

SECTION 4: STIPEND/RELEASE TIME FOR SPECIAL PROJECTS: The parties recognize that teachers may be asked to undertake special projects separate and apart from their usual teaching duties. When a special project is offered to a teacher or group of teachers by the Superintendent, the Superintendent and teacher(s) involved shall agree upon whether a stipend be paid or release time given before the work is performed. The nature of the assignment, time line, and stipend/release time agreement shall be recorded on a form designed for that purpose.

SECTION 4: EXPERIENCE CREDIT: Newly hired teachers may receive credit for up to ten (10) years of experience for completed full time positions held in previous Illinois districts. Any other recognition of experience shall be at the discretion of the Board.

SECTION 5: EARLY RETIREMENT INCENTIVE: A retirement program shall be available between July 1, 2015 and June 30, 2020 for teachers who complete at least fifteen (15) years of full-time service in the District, the last ten (10) years of which shall be continuous; are at least age 57 upon the effective date of retirement, or become 57 years old within six (6) months of the effective date of retirement; have not filed for participation in the TRS ERO retirement program; and whose retirement is approved by the Board. A teacher must also be in good standing with the Board, and his/her participation must not be the result of any contemplated disciplinary action.

An eligible teacher may submit a written request to retire to the Superintendent by no later than July 1 of any year covered by this Agreement, setting forth a retirement date of no later than June 30, 2020; this notice shall be irrevocable, except as set forth below. The Board may, in its sole discretion and without establishing a practice or precedent, limit the number of teachers who participate in this program in any school year to not lower than 10% of those who satisfy the foregoing eligibility requirements, based on seniority in the District; ties in eligibility shall be determined by total years of TRS service credit. If the foregoing limit is imposed for any school year, and the number of eligible teachers who submit a timely and proper notice exceeds said limit, the notices of those teachers not approved because of said limit shall be considered for participation in the program during the next school year, unless rescinded by the teacher. Imposition of such a limit by the Board shall be non-reviewable and not subject to grievance. Eligible teachers who submit a timely and proper notice who have not had their retirement approved because of the imposition of the foregoing limit shall be allowed to retire under this program by no later than June 30, 2020.

A teacher's notification of retirement may only be rescinded for death, diagnosis of terminal illness, or total disability of the retiree or his/her spouse; or other reasons determined solely by the Board; said reasons shall not create a practice or precedent with respect to granting or denying other requested changes in retirement, shall be non-reviewable and not subject to grievance. A teacher's written intent to rescind notification of retirement must be submitted to the Superintendent no later than January 1 of the school year in which retirement was intended. Any teacher who has received all or part of the benefit of this retirement program and who then submits a valid written notice to rescind his/her retirement request shall refund to the Board any and all amounts paid hereunder prior to the beginning of the next school year.

Eligible teachers whose retirement under this Section is approved by the Board shall receive, as an early retirement incentive, an increase in their TRS creditable compensation (as defined by TRS) of six percent (6%), or the maximum amount which would not require the payment of any employer or employee contribution, penalty or other payment to TRS or the State of Illinois, whichever is less, for each full year of service prior to their retirement date that (with said increase) will be used in the calculation of the teacher's TRS retirement annuity, up to a maximum of three (3) years. Notwithstanding anything in this Section to the contrary, the Board shall not be required to pay any benefit that would subject the Board to any additional contribution, penalty or other payment to TRS or the State of Illinois. Said amounts shall be paid to the teacher in equal installments as salary.

No teacher participating in this retirement program shall, for any reason, receive any additional compensation beyond the amount set forth above, notwithstanding any contract, collective bargaining agreement, policy, practice or procedure, or any portion thereof to the contrary. All extra duties and assignments performed by the teacher in the year his/her notice is approved will continue to be performed until the teacher's effective date of retirement. A teacher may voluntarily resign from an extra duty or assignment, or be removed from an extra duty or assignment by the Board for cause, with a reduction in the amount of his/her benefit equal to the amount of the then-current compensation for said extra duty or assignment.

The foregoing benefit shall be the sole early retirement benefit paid by the Board. By accepting this benefit, a teacher expressly waives any and all rights to participate in any early retirement initiative, benefit or incentive otherwise available (or which may become available) including, but not limited to, ERO, or any other early retirement benefits subsequently made available by the Board or applicable law. Teachers accepting this benefit, in further consideration of same, agree that should they avail themselves of any other early retirement initiative, incentive or benefit, they shall immediately become obligated to repay to the Board an amount equal to any payments made pursuant to this section on their behalf, not as a penalty, but solely as liquidated damages for breach of his section.

TRS EARLY RETIREMENT OPTION (ERO)

Teachers not electing to participate in the early retirement incentive set forth above may participate in ERO.

Participation in ERO is subject to such provision remaining permissible under Illinois Law and TRS rules. The Board may annually limit the number of participants to 10% of eligible teachers on the basis of seniority, with ties in eligibility to be determined by total years of TRS service credit. This option is limited to those who have reached the age of 57 or have completed 32 years of credible service. The Board reserves the right, upon employee request, to extend this option to those who have reached the age of 55 or have completed 30 years of credible service. The Board may in its sole discretion waive this limitation; such waiver shall be non-reviewable, not subject to grievance and shall not create a practice or precedent. Teachers who elect to participate in ERO shall be solely responsible for all employee contributions determined to be due by TRS.

Any teacher who elects ERO expressly waives any and all rights to participate in any early retirement initiative, benefit or incentive otherwise available (or which may become available) including, but not limited to, ERO, or any other early retirement benefits subsequently made available by the Board or applicable law. Teachers electing ERO, in further consideration of same, agree that should they avail themselves of any other early retirement initiative, incentive or benefit, they shall immediately become obligated to repay to the Board an

amount equal to any payments of such other initiative, benefit or incentive made to or on behalf of the teacher, not as a penalty, but solely as liquidated damages for breach of this section.

ARTICLE VIII – INSURANCE/EMPLOYEE BENEFITS

SECTION 1: HEALTH INSURANCE: The Board will create a pool from which bargaining members will draw funds to pay for health insurance costs.

1. 2015-2016-The Teacher’s Insurance Pool (TIP) will be funded at \$100,000.00.
2. 2016-2017-The TIP will be funded at \$100,000.00.
3. 2017-2018-The TIP will be funded at \$100,000.00.

Bargaining unit members will access the TIP according to the following priority:

1. Bargaining unit members who choose health insurance will be credited with an amount equal to the cost of single insurance.
2. Out of the funds remaining after priority 1 has been met, bargaining unit members who choose the stipend in lieu of insurance, will receive a benefit equal to the cost of single health insurance coverage, not to exceed \$5,000.00. The stipend will be paid in two equal installments on December 30th and June 30th.
3. All funds remaining in the pool after priorities 1 & 2 have been met will be credited on a pro rata (equal) basis to meet the cost of insurance for those bargaining unit members who choose a coverage option other than single coverage.
4. Upon the expiration of the contract on June 30, 2018, any reserve funds in the pool will remain in the pool and will roll over to the next contract period.

In the event the TIP does not meet the entire cost of bargaining unit members’ insurance coverage, individual bargaining unit members will pay the difference between TIP funds available to them and the actual cost of insurance they have chosen beginning 1st with those receiving the highest level of coverage.

The \$100,000.00 is based on an FTE of 12. Should the District’s FTE change during the life of this agreement, the TIP will be increased or decreased by the amount equal to the actual insurance cost of the bargaining unit member(s) involved.

In order to monitor District health insurance needs and costs, an INSURANCE COMMITTEE will be formed to discuss and review rates and coverage’s. The insurance committee will meet annually within 30 days of receiving renewal figures. Any changes in employee access to the pool over the course of the year will require an insurance committee meeting to be held to determine the impact of that change and adjust figures and or potential costs accordingly. The insurance committee will be made up of two bargaining unit members, the Superintendent and one Board of Education member. Any recommendations coming from the insurance committee will go directly to the Board of Education for action.

SECTION 2: LIFE INSURANCE: For the life of this Agreement, the Board will pay the premium for \$25,000.00 of group-term life insurance for each teacher who is employed one-half-time or more.

SECTION 3: EMPLOYEE TUITION WAIVER: Contingent upon General Assembly approval to grant an out of district tuition waiver to the District under 105ILCS 5/10-20.12a of the Illinois School Code, employees may elect to enroll their child(ren) and pay tuition to the District as per the conditions set forth in the approved waiver and the Parent-Employee Agreement.

The terms and conditions may be modified only through the written mutual consent of the parties. The Association agrees that all negotiable items have been discussed during the negotiations leading to this Agreement, and agrees that negotiations will not have to be reopened on any item, whether contained in this Agreement or not, nor will negotiations be reopened on the effect of any permissible management action during the life of this Agreement. The operating of schools and the direction of staff are vested exclusively in the School Board.

SECTION 4: RE-OPENER CLAUSE: Should legislation be enacted or administrative rules adopted after the effective date of this Collective Bargaining Agreement that increases the total amount of the annual employer contributions of the Board or the annual employee contributions of a majority of the employees covered by this agreement to the Illinois Teachers' Retirement System for any year covered by this agreement then either the Board or the Association may re-open this agreement in its entirety by providing written notice of such re-opening within 60 days of the effective date of said amendment to the Illinois Pension Code.
