## Birthday Parties

Interested in an all-in-one birthday celebration for your child? Grande Finale' Dance Studio (GFDS) has it all! Our party coordinator will lead you on a themed adventure through crafts and dancing or tumbling. Then it's on to the party room for the presents and refreshment time with friends and family. GFDS is a great option to meet your needs and the best part is, we do the clean up! Helping to create a stress free party for you and your little loved one.

### What to expect

After booking a party, you will receive an email with a form confirming the date, time, what to bring and what will be provided; along with a few questions so we can better meet your needs. Closer to the party date you will receive a phone confirmation to clarify the number of guests you are expecting and answer any questions you may have

### Party Coordinator

Each party comes with a coordinator who will take the children through their themed class and party time. Your GFDS coordinator will assist you with set up, greeting and then leading a 45 minute class. They will then help serve cake and/or food, organize the present opening time, and of course, facility clean up.

### Party layout

Party time; 45 minute themed instructional class; 40 minutes in the party room for cake and presents (*all food and party table supplies provided by parents*). Our hope is to make this a wonderful time for your child and their friends.

### Tips for the best party

- ◆ All party participants must have their release and liability waivers signed before participation. Forms will be handed out prior to the party and available at the party. *GFDS students do not need to sign the waiver.*
- ◆ Parents are responsible for bringing their own party utensils, drinks, cake and/or food items, and any table decorations as desired. We will provide a list of local restaurants that deliver to GFDS if desired.
- ◆ Parties are great fun, but please observe the start and end times of your event. Parties are scheduled on a consecutive basis and there will be an additional charge for exceeding your allotted time, so thank you for your understanding.

- ◆ You may arrive 15 minutes early to set up the party room. The party coordinator will begin the party on time.
- ◆ Be prepared for a fun-filled birthday party!
