

Biotechnology High School

Supply List – Freshmen

Biology

- 3-inch binder with
 - 5 sections
 - 1 folder
 - hole puncher
- Pens, #2 pencils, and highlighters

English

- 2-inch binder with tabs and loose leaf paper
- Pen and/or pencil (plan on writing every day)
- 1-subject spiral or composition notebook

Spanish

Required

- 1 ½" (or larger) binder with three-hole punch, divided into 4 sections with loose-leaf paper
- Pen and/or pencil (plan on writing every day)

Geometry

Required:

- 3-subject notebook (preferred) or binder with dividers for 3 sections
- Graph paper
- Pencils
- Scientific calculator (a graphing calculator will not be required until the Algebra II course, but students are welcome to use them if they have them - we recommend the TI-84 Plus)

Recommended:

- Compass, protractor, ruler (please keep these AT HOME!)

Algebra II

Required:

- Same as Geometry supply list except that students must have both a scientific and a graphing calculator
