Grand Knight Message

This New Year is now in full swing and we are now into the second half of our Columbian year. The first half of the year was busy with holidays and all, and the second half appear to be just as busy.

Last month our Charity Resource Team led a day trip to Pechanga Casino with around 40 Knights, family and friends enjoying an eventful day. Sure the bus broke down one exit from our destination, but we still had fun time! We had some winners and more “not” winners, but fun was certainly the consensus. Be sure to be on the next trip. Brother **Brian Lockwood** will have details soon.

At the Jan officer's meeting we had our suspicions confirmed by our Treasurer and Financial Secretary. Our Fish Fry Dinner season is not doing well financially. At this point in time (8 dinners in to our 14 dinner season) we find ourselves in the red. We asked ourselves why and what we can do to turn things around and the obvious answer is we need more folks to join us for dinner. Attendance this year in comparison to previous years is down with our dinner sales per night down. There are a few things we have implemented to limit waste and reduce costs but it all comes back to dinners sold. We need more dinners sold. This is our primary fundraiser for our Council scholarships. Please make an effort to join us for dinner soon and invite a family to meet you at the hall for dinner. We need the help of our community to make this happen. I hope to see more folks at the coming dinner nights.

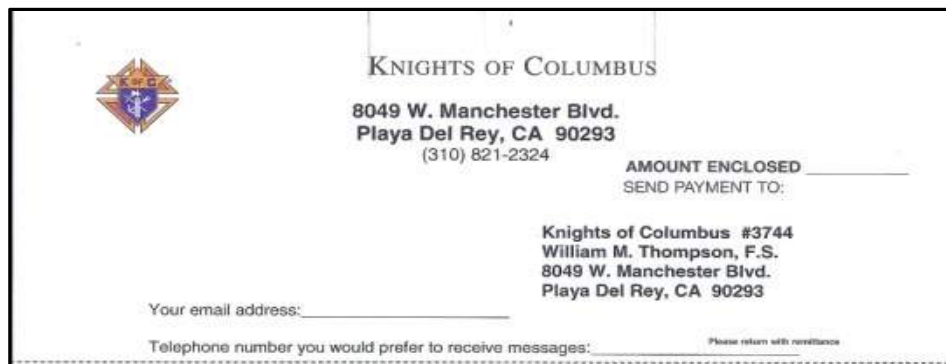

As we venture into the second half of the Columbian year, I ask that you take a minute to reflect on your personal involvement with the Knights. Many members have found their niche within our organizations while others, for whatever reason, we have not seen in a while. To those that have not visited in a while, know that your Brothers will always welcome you with open arms. UNITED, we can make an even larger difference in our parishes and in our community.

As a reminder, we have some great events this month. The Super Bowl party will be hosted by Brother **Keith Kutler** and sponsored by the Holding Company on Feb 5. Also, mark your calendar for Feb 28 (Fat Tuesday) for the Religious Appreciation Dinner. And last but not least, remember to invite friends and neighbors to join us for the Fish Fry Dinners on Feb 10 and Feb 24. If you can't stay for dinner call and we will have your order ready “to-go.”

Billing and collecting member dues is a costly and time consuming project. Quickly paying your dues eliminates the need for costly second notices and follow up calls...so please help us by sending in your dues right away!

Our dues are low compared to most fraternal organizations and do not even cover the cost of Supreme fees, Bulletin production and Council operating costs (phone tree, copier, etc). It is important that we start the year with all of these important obligations adequately funded to be able to pursue our mission as Knights.

Our goal is collection of all dues by Mar 1...help us by sending in your dues now!

Joseph Toia Scholarship Announced

Long time member and generous Council 3744 supporter Brother Knight Joseph Toia passed away on December 13, 2016. As an expression of Joe's love for the Knights, his family requested that, in lieu of flowers at his funeral, donations be made to the Council Scholarship program.

Brother Joe Toia's wife Lori and the Toia family have also pledged to support the establishment of a perpetual annual scholarship in Joe's memory and the initial scholarship will be awarded at the 2017 Scholarship Breakfast.

To donate to this perpetual scholarship, please send checks made payable to Knights of Columbus #3744, Attn: Ed Stokx PGK, 8049 W Manchester Ave, Playa del Rey, CA 90293 ("Toia Scholarship" in the memo section). For more information, please contact **Paul Condran PGK** at 310-505-4616.

Decency Report

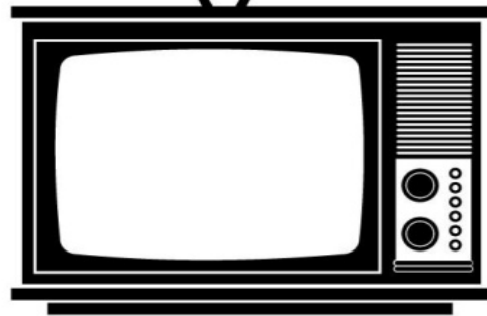

The Failed Promises of Cable TV

When cable TV first became widespread in the 1980s, subscribers were made several promises:

- Viewers would have access to higher-quality programming than the three major broadcast networks were providing.
- There would be a bevy of diverse networks, each catering to a specific niche interest, whether musical, educational, or scientific.
- Subscribers would not be subjected to all those annoying commercials...all for a low monthly cost.

Cable has failed to deliver on many of its promises – the promise of being “low-cost” most of all. Pay-TV prices have risen almost **FOUR TIMES** the rate of inflation!

Even worse, most viewers never watch the vast majority of the dozens of networks they’re forced to pay for. Some of those networks’ shows are openly offensive.

But if you want the Disney Channel or EWTN, you’re stuck paying for FX. This is a total violation of consumer rights.

The PTC leads the fight for Cable Choice. We battle against the entertainment industry’s unfair “bundling” schemes. And we press for your right to pay for only those networks they actually watch. Because nobody should have to pay for something they never use, don’t want, and even find offensive.

Golf Report

Golfers enjoyed the first KofC tournament of 2017 with a nice turnout on a nice day on a busy course. Lee Keswick showed us how to play, bagging a great 72 gross including birdies on #9 and #16. Actually, birdies were flying all over the course all day: Tom Hood (#3 and #11), Paul Condran (#1), Mark Brosmer (#7) and Tim Giroux (lucky #13)!

Some fine putting was also on display, highlighted by Chuck Heteniak sinking a slinky 70 footer. All 9 Par 3 Flag Holes were captured and the Skins competition was intense, with 7 collected: 2 by Tom Hood and one each by Joe Albrecht, Mark Brosmer, Paul Condran, Tim Giroux and Richard Wagner

Insurance Field Agent Report

Life Insurance as a Gift?

The typical reaction when you mention life insurance as a gift is a quick step back and a questioning stare. "How morbid" most think. While it may seem that way at first, life insurance is really a thoughtful gift. The problem is perception. Most think of death not the benefits insurance provide and the security it offers.

Life insurance should be a precautionary protective measure for a family. It's purchase can mean saving your home, sending your children to college, and preserving your spouse's quality of life in the event of your death.

One time to consider a life insurance gift for someone is when a new baby arrives. It's a low-cost way to set money aside for the future. Of greater importance, it ensures the child will have insurance as an adult, in case an illness later in life makes him or her uninsurable.

Newlyweds are also ideal recipients for life insurance. As they join their lives and financial responsibilities, young couples need to make sure that their early investments are fully protected. If something were to happen to one of them, the other may be faced with serious financial hardship. A life insurance policy is an ideal way to ensure their future and protect their assets.

Life insurance as a gift? Imagine what a life insurance policy can afford a charitable beneficiary: your church, high school, college, hospital, or club can all be a beneficiary of your policy.

As nontraditional as it may be, life insurance is a wise and caring gift to purchase for many people.
