Grand Knight Message

Lent is here with the arrival of Ash Wednesday. Council 3744 kicked off the Lent season with our Religious Appreciation Dinner on Fat Tuesday.

We had almost 40 local religious join us for dinner and it was great to have just as many Knights and spouses attend. What a great night!

Thank you **Mark Brosmer** for once again chairing and hosting this event. Thank you **Paul Callinan**, **Chip Mallek**, Linda Glaza and the Ladies of Columbus for preparing and serving a superb meal.

At the religious appreciation dinner we also recognized our seminarian **Braxton Cordova** with our annual contribution to help offset his costs. It was special to be able to present him with our gift in front of the religious community. Photos of the moment are available on the website and here in the bulletin.

On Sun Feb 18, the Church of the Visitation celebrated its 75th Anniversary. The day began with a Mass celebrated by Archbishop Jose Gomez and the celebration continued after Mass with food and drink in the parking lot. It was beautiful to see our Council fully involved in all aspects of the day. We were ushers, parking lot attendants and food service. We served over 400 hamburgers and 300 hot dogs in 3 hours...it seemed the line would never end. Thanks to all that stopped by to help. There are just too many to list here but know that **Msgr Jim Forsen** was very appreciative of the Council efforts.

Brother **Mike Engler PGK** has once again agreed to chair the Rancho San Antonio "Boys Home of the West" raffle ticket sales. This program provides a home for at-risk youths and is 100% supported by donations.

Mon Mar 5 the Council is hosting a Visitation Lenten Soup Dinner. Please contact **Paul Condran PGK** if you can help with set-up, clean-up or serving.

Remember to join us for the Lenten Fish Fry season as the dinners are the primary source of funds for our annual scholarships. Check the Council website for all the activities our council is involved with, and for links to our parish websites.

Rancho San Antonio Sales Underway!

Council 3744 has kicked off our annual fundraising efforts for Rancho San Antonio, the Knights of Columbus supported "Boys Home of the West". Learn more about this great organization at their website (www.ranchosanantonio.org).

Rancho rehabilitates confused, neglected or abused adolescent boys and helps them from ending up as another negative statistic. Rancho is often the first real chance for these boys to succeed, and they do with 90% success rate!

Open House on May 6...celebrating 84 years of service!

Los Angeles area Knights of Columbus councils have supported this facility for many years, primarily through sales of fundraising raffle tickets. In 2017, Council 3744 sold over \$6,000 worth of raffle tickets! Our goal this year is to exceed that amount.

You can help us achieve this goal two different ways

1. Buy tickets yourself or sell them to friends and neighbors

By now all Brother Knights should have received a book of 10 tickets (requested donation of \$2 a ticket, \$20 for the book). Please purchase as many tickets as you can and return the donation and the ticket stubs by April 30. Please call or email me (as indicated below), if you need more tickets or did not receive tickets.

2. Help sell tickets at your local parish

Last year almost \$3,500 of tickets were sold to parishioners at our three local parishes. Only because of Brothers giving their time and effort at the weekend Masses was this total reached. The more people who sell tickets, the greater the results! To help assure success, please volunteer to spend 15 minutes before and after the Mass of your choice selling tickets on your parish's designated weekend:

Visitation-Mar 17 & 18 | St Jerome and St Anastasia - *dates to be announced*

Once again, thank you for your past support and looking forward to another successful campaign for this worthy charity.

Decency Report

Ultrasound Photos

The FDA: "Ultrasound examinations provide parents with a valuable opportunity to view and hear the heartbeat of the fetus, bond with the unborn baby, and capture images to share with family and friends." (Note to the FDA: "Parents" don't have "fetuses." They have babies).

There is reaction against abortion among the generation of Americans that grew up in a world of vivid ultrasound images and among the miracles of neonatal medicine that now make it possible for even babies born extremely prematurely to survive and flourish.

Ultrasound technology, combined with an innate sense of the preciousness and vulnerability of unborn life, are working changes in many lives.

"The works of the law written on their hearts" (Romans 2:15), and the conscience itself can be triggered simply by seeing the life growing within.

Golf Report

Getting into appropriate Super Bowl Sunday competitive spirits our group of Knights of Columbus golfers and guests enjoyed another fine outing. Although some great golf was played, not one birdie was scored. With a small group of golfers, we played only four closest to the pin holes, and only two of them were claimed.

However – the collection of skins was abundant with **Mark Brosmer** snagging 5, Joe Albrecht got 3, Guylaine Brosmer and **Richard Wagner** got 2 each, and Tom Hood captured 1. Along with fun golf, the group enjoyed some great play around the greens including two chip-ins by **Mike Rachford PGK** followed by his sinking of a 35 foot putt on hole 17...accompanied by a Super Bowl level Rachford style celebration as the ball found its way into the cup.

New Bulletin & Website Editor

Over the last four years, it has been my pleasure to redesign and edit both the print and digital Bulletin formats. I am especially proud of the work of our printing, folding and mailing teams who made timely arrival of every month's Bulletin a predictable and routine occurrence.

During this time we converted over half our readers to digital distribution saving the Council several thousand dollars a year in paper, printing and postage.

Simultaneously, we have grown our Council website from a sparsely populated and infrequently updated site with under 40 visits per week to a comprehensive source of news, events, photos and archived information regularly visited over 250 times per week by members, potential renters and our surrounding community!

As I find myself spending more time away from the area, it is has become apparent to me that it takes a local Brother is active in all Council activities to do this job well. I am very happy to announce that one of our most involved fine young Knights, Brother **Brian Lockwood**, has volunteered to take over as Bulletin and Website Editor. He will assume these roles with the April issue and I would ask that you assist him where possible and thank him for taking on this important function for Council 3744.

I am so grateful for all the kind words and support these last four years! It has been my pleasure to serve you all and I look forward to where Brian takes us next.

Visitation Lent Soup Dinner

Each year, Church of the Visitation hosts a series of Lent Soup Dinners in preparation for the coming of Easter and Council 3744 steps up, as one of many organizations, to assist in supporting one of the dinners.

This year we will support the dinner on March 5. We will be looking for Brother Knights to help with several functions for the event: set-up (to begin at 5pm on the dinner day), shopping for menu items, clean-up and teardown.

Paul Condran PGK is leading this effort and is looking for a large turnout to help our important Council parish. If you need more information or can commit to help, please contact Paul at 310-505-4616.

Insurance Field Agent Report

Plan for this Tax Day and into the Future

April 15 (tax day) is right around the corner. It's a popular time of year to encourage opening/adding to an IRA retirement annuity or similar tax-saving vehicle. Perhaps someone has tried to convince you to open an account, touting the interest rate that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to consider an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity allows you to save some money in income taxes and our annuities do pay a competitive interest rate, consistent with our primary goal of absolute safety of principal. But having an annuity only for these reasons strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive - guaranteed - sound to you?

At Knights of Columbus, just \$300 can open a retirement annuity. Consistent, disciplined savings placed in that annuity over time can guarantee you an income at retirement that you cannot outlive. That guarantee - along with the fact that no one has ever lost money left in a Knights of Columbus annuity (absolute safety of principal) - really will provide you with peace of mind.

I am happy to meet with you – at your convenience and in your home – to explain in detail the benefits of a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.
