

## Catering Q&A

### What's the difference between platters and bars?

Platters consist of pre-made wraps, pitas, etc., arranged and delivered on a tray. Bars are set up buffet-style and allow guests to build their meal as they see fit.

### What is your policy regarding order cancellation?

Cancellations must be made at least 6 hours prior to delivery time.

### Do you offer free delivery?

We offer free delivery on all orders of \$75 or more within a 5 mile radius.

### How far ahead do I have to call to place a catering order?

We request a minimum of 24 hours but will try to accommodate shorter notice when possible.

### What exactly is included in your catering pricing?

Our prices include trays, utensils, napkins, plates, etc., as applicable.

### How many people do the various catering packages feed?

Whenever appropriate we list our estimate of maximum number of people per package.
