

Membership Form

Robbin Gallery is a nonprofit artists' cooperative operated by Hennepin Artists of Robbin Gallery (HARG). Our mission is to bring art to the community while helping artists develop their skills and creativity. All visual arts are represented. Members volunteer in a variety of ways to operate and staff the gallery.

Benefits of Robbin Gallery Membership: Members learn about displaying, developing and promoting their art and network with other artists. Robbin Gallery hosts two members' shows each year, March Madness Members' Show and the Whiz Bang Show in July. Members are guaranteed entry to these exhibitions and fees are kept very reasonable. Members pay a reduced commission of 10% on art sales. The gallery is available to members at a reduced rate for special exhibits. There are opportunities to exhibit at several off-site locations as well.
