Dear Gail:

With the adorable pictures of the baby polar bear, and your pleasant, gentle narration, we certainly had a treat on Tuesday. That last photograph as you stood at the top of the enclosure with a fully grown bear at the bottom certainly proved the saying that a picture is worth a thousand words! She was looking at her "Mommy" with such intensity and proved the bond you had formed with her.

We all had such a wonderful time and were so happy that you were able to fit our luncheon into your busy schedule. It was also such a pleasure to meet your husband, Kent. He did a wonderful job with the video.

All of the Mothers, especially Alys, Irene and I thank you so much for being with us, and we hope that you will come back again real soon.

All best wishes,

MARTHA J. SELLECK
