Tyce Park Elementary Outreach

Thank you for everything that you have contributed to the school this past year! Our relationship with Tyce Park Elementary continues to grow each day. Although the school year has come to an end and summer vacation has begun. We anticipate being able to help those students that are returning or coming to the school next year. If you are so moved, we have received a school supply list for next year and would like to ask you to consider donating these items throughout the summer as you are out shopping.
