## *June Program*

### TWA welcomes you to the June Social

Date: Wednesday, June 17th

Time: 7:00 PM

Location: Zenith room at the Apex Community Center  
53 Hunter Street  
Apex, NC

By popular demand, we will once again have a social for our June meeting. Highlights will be a potluck dinner, and show and tell, focusing on jigs and more jigs and featuring the work of some of the club's more creative individuals. This will also be the kick-off for the 2015 Toys for Tots program.

Presenters on the program are:

- Mike Payst
- Cecil Raynor
- Allan Campbell
- Fred Ford
- Hugh Fish

We hope you will be able to participate in this event. It will be a great opportunity to socialize with fellow members and guests in a relaxing atmosphere. You are encouraged to bring your spouse or a friend.

If you are planning to attend, but haven't had a chance to sign-up, give Terry Tenhouse a call at 919-906-4134, or sign-up at the May meeting. Please bring something for the potluck if you can. If you are unable, there will be a basket at the beginning of the dinner table where you can contribute a few dollars to help offset the items purchased by the committee.

Driving directions from US1/US64 south in Cary:

- Exit west on US64 to Apex
- Turn left off US64 on Lake Pine Drive/Old Raleigh road. Travel approximately 1.6 miles from US64 to Apex Community Center.
- Cross Apex Peakway and then Mason St.
- Take first left after Mason St into center, & immediate first left to parking area

See you there!

Submitted by your host: Terry Tenhouse

PS: Remember, it's **Wednesday** not Tuesday

## *July Program and Workshops*

### **Brian Boggs Presentation on Chairbuilding**

We are fortunate to have internationally acclaimed furniture designer Brian Boggs, who has been building fine wood furniture for over thirty-two years, as our presenter for a weekend workshop in July. He and his team handcraft heirloom-quality furniture, one piece at a time, with a focus on design, craftsmanship, and sustainability. His original designs demonstrate original craftsmanship that lasts long enough to grow the next generation of mature trees. Ergonomic seating is Brian's specialty, and each of his chairs is built with the human body in mind. He offers complete lines ranging from modern, sleek chairs, to traditional pieces inspired by ancient woodworking techniques, to elegant outdoor sets.

On Friday evening Brian will do a slide presentation of his work and discuss why he does what he does and what differentiates a chairmaker's realm from that of a cabinetmaker. He will bring along a cadre of chairs for show and sell always adds a little interest. A portion of the proceeds from any sale go to the clubs Toys for Tots fund.

The weekend class will be tailored to concentrate on areas of particular interest to the participants and will cover steam bending, lamination processes we use (some of them fairly unusual), and a talk on chair design and what critical lines and curves always mean a comfortable chair. It is a simple formula that always works. Brian will also discuss the basics of how edge tools work and how to control your cuts with them, and if time allows, a talk about drill bits since those are often left out of woodworking talks. Understanding the geometry of drill bits allows one to alter a bit to get it to do what a store bought bit simply can't.

The depth of each of these topics will be adjusted to suit the interests of the participants and other subjects which arise from the discussions will be covered.

*Meeting Minutes*  
*Respectively submitted by Jan Baker Secretary*

TWA Monthly Membership Meeting - May 15, 2015

Called to order by Roger Sanwald, Vice President ( President Diane Philyaw,was ill)

No visitors

New Member: Cecil Raynor's new wife Mrs. Raynor. Apologies for not getting the first name on the first try!

No Old Business, No New Business

Show and Tell:Bernie Bogdon

As a Thank You for THE HARDWOOD STORE, Gibsonville, for all their support and backing to TWA in the Toys for Tots program, Bernie showed a carving he has started for them. He has begun a carving of a tree and it will be mounted on a piece of Mango wood that Terry Tenhouse is making. Hal volunteered to do the finish on the completed carving and stand. It will have a plaque showing TWA as the donor and the date.

Announcements: The June meeting will be held in the Zenith Room of the Apex Community Center, 53 Hunter Street, Apex, NC. Date is June, 17th, Wednesday at 7:00pm. Covered dish meal, bring your signature picnic dish to share. The program will be "Pot Luck" with Fred Ford, Cecil Raynor, Mike Payst and Allan Campbell giving presentations on various topics. We assume they will be related to woodworking.

Program: Jeff Hedley and Steve Hamilton from Mack S and Sons from Winchester, VA. gave a slide presentation of a lot of their work and a narrative as to where it is or came from and the joinery techniques they use. They then began a talk of furniture building in general, and as they did that, they were assembling a precut slant top desk with 13 hidden compartments ! That was fascinating to watch.

Meeting was then adjourned.

Respectfully submitted by Sue Bunch filling in for Janet Batker who was unexpectedly called out of town.

*Treasurer's Report*

April Treasurer's Report. The short version is as follows:

Beginning Balance: \$9,562.34  
 Income: 1,104.50  
 Expense: 2,247.67  
 Ending Balance: \$8,419.17

Does not include Petty Cash.

Respectfully submitted,  
 Jack Kite - Treasurer
