I love it! "Build Your Dream Home" What a crock!

I agree. All the Zoline's wanted out as quickly as possible. But at these prices, they got out too soon! Pam really tried to hold onto it though.

What's up? Was in Denver last weekend and in San Diego this weekend.

But will be around after that for a little walk and some fattening food!

FYI - Just to give you an idea of how much money is involved in the free-market portion of the one-time Zoline parcel. You may not remember (but I do, because I can hold a grudge forever) how quickly the "we want to preserve the family farm" property went on sale once Burlingame was approved. Jaz
