I don't know b/c I'm waiting to see if I can get a truck. May I let you know later today? I'm thinking probably not though. If you want to talk, I've got Susan O'Neil coming into my showroom at 1:30. If you showed up around then or 2pm, you could rescue me.

Sure thing. I talked to Mick today and I think he's on board. But you should check w/ him? I may go to Denver Sat. to pick up some furniture so don't know when I'll be back.

Yeah, let's talk to Mick. I think he was in somewhat the same position as I was, that is you gave solid reasons for a no vote which he had not thought of. Maybe he will help us. We have some time. I want to talk to you about Ord 30 but I am pressed for time right now. Maybe later this week or this weekend? jed
